

2013 BS Open

This year, the annual BS Open will be held on Sunday, April 21st at 12:00PM noon, and it will be held at Buffalo Creek in Rockwall, TX. The entry fee this year will be \$110.00 for golf, but even if you do not play, we encourage EVERYONE to come out for a great day of brotherhood. We have limited tee times, so an accurate head count is needed. If you are interested in playing, please contact brother Rene Griffin with the names of anyone in your foursome. Following the golf outing will be a cookout of burgers and beer that will be held at Rene's House. All are welcome to attend.

There will also be a House Corporation meeting at 9:30am before golfing begins at Rene Griffin's house. All are encouraged to attend, even if you are not a member of the House Corporation. All participation will be welcomed. Meeting will be held at 1304 Moraine Place, Heath, Texas 75032. We are looking to expand our House Corporation to encompass more members from several different decades.

If you have any questions about the meeting, or any questions regarding the BS Open, please contact brother Rene Griffin at RENEGRIF@aol.com. We look forward to seeing you out there on the course!

Summit II 2013

The current shelter, at 1803 Live Oak Street, was purchased after the last fundraiser was held. This occurred in April 1992, which was over 20 years ago! Most chapters have major fundraisers every five years or so to help with the upkeep of their respective shelters. The good news, in all this, is that the current **shelter is COMPLETELY PAID FOR**, and is now owned solely by the House Corporation. The bad news is that there have been very few major repairs since we purchased it, and it is desperately in need of renovations.

Summit II will be held Saturday May 4, 2013 at the Hilton Hotel at the harbor in Rockwall, Texas.

All are encouraged to attend and learn about current events surrounding the chapter. The cost of attendance is \$40.00 which will cover the cost of the meeting room, as well as lunch. The future of the Shelter and the Chapter will be shaped by Summit II. Please join us for a day of brotherhood, and show your support for Epsilon Eta at Good OI' E.T.
